

Style & Wardrobe Personality

To find out your dominant personality complete the questionnaire below, circling as many options as you wish. You may feel that some questions merit more than one answer – for example, one may describe how you dress during the week, another may reflect your appearance at weekends, and a third may describe how you would like to look. This will form the basis of your **style2you recipe!**

How do you wear colour?

- A Whatever I feel like on the day.
- B Strong, contrasting and bright shades.
- C Pretty pastels.
